WE ARE MERSEYSIDE, PART OF OUR COMMUNITY

Living in Merseyside will reward the successful post holder in lots of different ways. It's difficult to put into words what it can offer, at the heart of it though, is an opportunity to be part of our Community, our Place, our Culture and our People. That's what makes us and Merseyside great.

OUR PLACE

Merseyside is an area steeped in maritime history; it is an area of rich heritage with worldwide links to culture, arts, music and sport.

Merseyside is a county in the north west of England, on both sides of the mouth of the river Mersey and includes the metropolitan districts of Knowsley, Liverpool, Sefton, St Helens and Wirral.

OUR CULTURE

The city of Liverpool is an important centre for culture throughout the world, it boasts world leading attractions in the arts, music, theatre, entertainment and sport.

Liverpool has one of the most impressive collections of museums in Europe, boasting more galleries and national museums than any city in the UK outside London.

Merseyside moves to its own rhythm; Liverpool is a city that's very heart beats with the sound of music. A UNESCO City of Music, famous for its Mersey Beat and for those four lads that changed the music world forever - but that's not all.

We have a plethora of theatres on offer throughout the region, many situated in our bustling city centre such as the Philharmonic, The Empire and the Playhouse. You'll also find them within towns throughout our region like the Floral Pavilion in New Brighton and the Shakespeare North Playhouse in Prescot.

Liverpool City Region boasts three historic football clubs. Everton and Liverpool are separated by just one mile and are two of the Premiership's finest. Wirral's Tranmere Rovers play at Prenton Park in Birkenhead.

The region is also home to England's Golf Coast, the finest stretch of championship golf in the world, with no fewer than three Royal Links courses which have hosted endless Open Championships and Ryder Cups.

Horse-racing is huge in the city; Aintree and Haydock racecourses offer top-quality racing including the world-famous Grand National Festival at Aintree each spring.

There's more ...

Merseyside is also home to a number of top rugby teams, including St Helens (Saints) - the most successful Rugby League club of the Super League era.

Being a maritime hub we're also the perfect place to try your hand at Watersports, with a number of centres across the city region including Liverpool Watersports Centre and Wirral Sailing Centre based at West Kirby Marine Lake, with courses available for all ages and levels of experience.

Don't just take our word for it, come for a visit, with excellent transport links you'll be here in no time and once you're here you won't want to leave.

OUR PEOPLE

Our people have a mindset of lets try it – lets do it. We are bold and always give our best to be the best we can be. Our people are diverse, each bringing something different to their roles but working together to achieve outstanding impact.

Merseyside is world renowned for its welcoming and friendly atmosphere, Merseyside Fire & Rescue Service is no different – we are built to help, we look after our Communities and we look after each other.

OUR COMMUNITY

Merseyside spans 249 square miles of land and whilst it contains some of the most deprived areas in England, where the Service can make a real difference; it is also home to some of the most desirable and sought after locations which attractions more and more people into the region each year.

OUR FAMILY

We know just how important family is to our staff and Merseyside offers a fantastic setting for people relocating to the area. With its mix of rural areas, small towns and the bustling city centre of Liverpool, Merseyside really does have it all.

Eating Out: Food and Drink in Liverpool is fantastically varied, from sleek fine dining to indie bistros and pop-up foodie heavens to high-street favourites. Merseyside has no shortage of award winning restaurants, with a variety AA Rosette and Michelin starred venues to get your taste buds tingling.

Green Spaces: In Liverpool City Region we are blessed with an abundance of outdoor spaces. We have 200 acres of parkland under 15 minutes from the city centre at Sefton Park. We've pretty beaches on both sides of the water. Trips to Crosby Beach to visit Antony Gormley's Iron Men, National Trust's Formby Beach, Thurstaston Beach and Hilbre Islands all need to be on your must visit list.

There are also a number of key documents that have informed our Leadership Message, these are outlined below with explanations to show how they are linked.

OUR STORY

There is nothing more tragic to us than loss of life so we will do everything we can to prevent this happening.

Saving lives and keeping our firefighters safe matters to us.

We are a team of diverse people undertaking different roles but working together to achieve outstanding impact.

We are part of our community - it's where we are from, it's where we have brought up our families. We reflect our area - looking after each other and showing kindness.

Our teams continue to shape our story, putting our community at the heart of everything we do.

We have a long and proud history of being bold - a mindset let's try it, let's do it.

For Merseyside Fire & Rescue Service, good enough is never good enough.

We are our community and we know the part we can play - our place, our culture and our people are what make us great.

Our Leadership Message & Service Values has been created in partnership with our staff, ensuring that they fully reflect what it means to be part of Merseyside Fire & Rescue Service. Directly aligning with the Core Code of Ethics for Fire & Rescue Services and combined with our Service Ground Rules this demonstrates the Values and Behaviours expected of employees in MFRS.

Core Code of Ethics: The 5 Ethical Principles.

Putting our communities first

We put the interests of the public, the community, and service users first.

Integrity

We act with integrity including being open, honest, and consistent in everything that we do.

Dignity and respect

We treat people with dignity and respect, making decisions objectively based on evidence, without discrimination or bias.

Leadership

We are all positive role models, always demonstrating flexible and resilient leadership.

We are all accountable for everything we do and challenge all behaviour that falls short of the highest standards.

Equality, diversity, and inclusion (EDI)

We continually recognise and promote the value of EDI, both within the FRS and the wider communities in which we serve.

We stand against all forms of discrimination, create equal opportunities, promote equality, foster good relations, and celebrate difference.
