To provide support to Governance meetings and any task and finish workgroups as directed by the respective HVP Capability Advisor.

To represent the interests of National Resilience and specifically the HVP Capability, by attending meetings, seminars and conferences as directed.

To deliver practical and theoretical training to stakeholders as directed.

To adhere to all health and safety instructions and to take all reasonable care not to do anything that might endanger themselves or others; to report any dangerous situations in the workplace.

## VALUES, BEHAVIOURS AND CODE OF ETHICS

As detailed in the Authority's CRMP, the Leadership Message clearly states our Values.

### We serve with **Courage**

- By never settling for the status quo
- By being decisive and calm under pressure
- By having determination to see things through
- By being prepared to fail
- By celebrating diversity and being open to new opportunities and challenges
- By setting high standards and not being embarrassed for doing so
- By challenging ourselves to be better

### We serve with **Integrity**

- By doing the right thing even when it is hard or no one is looking
- By leading by example
- By standing up for what matters
- By being open, honest and fair
- By making decisions based on facts
- By explaining the why
- By being consistent
- By always doing what we say we are going to do

### We serve with **Compassion**

- By acting with empathy and kindness
- By actively listening - hearing what is being said
- By going the extra mile to help
- By looking after and supporting each other, noticing what is going on for people
- By recognising each other's contribution
- By creating a sense of belonging
- By embracing and understanding difference

The National Core Code of Ethics for Fire & Rescue Services sets out five Key Principles, which provide a basis for promoting good behaviour and challenging inappropriate behaviour. The code is complemented by MFRA's Ground Rules, which outlines how we welcome difference and individuality, create a sense of belonging in the most inclusive way and provide some key, simple rules surrounding how we act.

## LEADERSHIP BEHAVIOURS

### LEADING THE FUNCTION

<b>Personal Impact</b>	Set standards of behaviour in line with Service values and behaviours.	Role model and mentor others in how they communicate and engage to encourage inclusion.	Provide a visible presence and recognise the contribution of others.
<b>Outstanding Leadership</b>	Work internally and externally to set clear work and objectives, actively monitoring the performance of the team and giving positive developmental feedback.	Accountable for the output of my teams and devolve responsibility for work to the appropriate level.	Nurture future talent and proactively plan for succession. I look for opportunities to coach, mentor and support people outside of my teams.
<b>Service Delivery</b>	Take a business-like broad approach that considers how to achieve better outcomes for communities.	Monitor the quality-of-service delivery and share information so that people know how well we are performing and plan accordingly	Seek out opportunities to work collaboratively across teams and functions to improve service delivery.
<b>Org. Effectiveness</b>	Aware of wider organisational and political priorities and how my function contributes more widely.	Actively seek to understand the nature of risk in various projects and act to mitigate those risks or report them.	Apply latest business processes & not settle for the status quo.
